

# GENESEE COUNTY BUILDING OFFICIALS ASSOCIATION

## Plan Review Training Class

The GCBOA is planning a 12 hour plan review class for education credits for anyone certified by the State of Michigan as a Plan Reviewer. The program will consist of a review of the State of Michigan Building Code, commercial plan review requirements, and the Michigan Residential Code, single family residential dwelling unit requirements. Participants will have the opportunity to review different types of construction plans and should be prepared by bringing their own current copy of the Michigan Construction Code books. The 12 hour plan review class will be presented over a two day period and you must be able to attend both days to receive the State Education Credit hours. The registration fees for the scheduled training are \$75.00 for GCBOA members and \$100.00 for non-members.

For more information please contact Dennis Miller at 810-639-2021 or [dmiller@montrosetownship.org](mailto:dmiller@montrosetownship.org)
